

I don't believe it is any of your business wether or not the traffic and weather is played on XM radio. "I PAY "FOR ALL MY RADIO I HEAR ON XM, THE REAL COMMENT IS " I PAY " for what " I "want to hear and I don't think it is the governments decision for what I hear for something " I PAY FOR" the government needs to stay out of peoples personal life especially when we're paying for what " WE THE PEOPLE WANT TO HEAR" STAY OUT OF "OUR" BUSINESS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!you need to worry about other important stuff instead of "US" THAT PAY FOR XM RADIO STATIONS TO BE PLAYED IN "OUR" HOME AND "OUR" CARS.
